

2016 Science of Team Science Conference Agenda (updated May 10, 2016)

May 16-19, 2016

Hyatt Regency Hotel

Phoenix, AZ

Day 1: Monday, May 16, 2016

Time	Session	Presenter
8:00 am	Registration Open	Continental Breakfast
8:30am-12:00pm	<p>Concurrent half-day workshops:</p> <p>Workshop 1: SciTS 101: Fundamentals of the Science of Team Science</p> <p>Workshop 2: Using Network Analysis to Evaluate Team Science</p> <p>Workshop 3: Immunity to Change (ITC) for Academic Scientists</p>	<p>Workshop 1: Steve Fiore (lead); guest speakers TBD</p> <p>Workshop 2: Eric W. Welch, Arizona State University; Mary K. Feeney, Arizona State University; Michael Siciliano, University of Illinois at Chicago</p> <p>Workshop 3: Cheryl D. Vaughan, Boston, Biomedical Innovation Center; Erica Lawlor, Harvard Catalyst</p>
12:00pm-1:00pm	Lunch	Complimentary Lunch Buffet
1:00pm-4:30pm	<p>Concurrent half-day workshops:</p> <p>Workshop 4: Establishing a Professional Community: Interdisciplinary Executive Scientist, Integration and Implementation Sciences specialist, Research Development Professional or...</p> <p>Workshop 5: The Difference – how to reap the benefits of interdisciplinary research teams</p> <p>Workshop 6: A New Dimension for Team Science: Individual and System Elements in Collaboration</p>	<p>Workshop 4: Christine Ogilvie Hendren, Duke University; Gabriele Bammer, Australian National University; Holly Falk-Krzesinski, Elsevier</p> <p>Workshop 5: Karin Grasenick, Magdalena Pierer, & Renate Handler, convelop cooperative knowledge design gmbh (Graz/Austria)</p> <p>Workshop 6: Celeste Blackman, Green Zone Culture Group; Ian Fore, National Cancer Institute; Katherine Skinner, Educopia Institute</p>
4:30pm-6:00pm	Break	
6:00pm-6:15pm	Keynote introduction	Kara L. Hall, National Cancer Institute Scott J. Leischow, Mayo Clinic
6:15pm-7:15pm	<p>Opening keynote:</p> <p><i>Expanding Science at the University: Defeating the Isomorphic Model for the Benefit of Humanity</i></p>	Michael Crow, President, Arizona State University
7:15pm-9:00pm	Evening networking event	Refreshments/Appetizers provided

Day 2: Tuesday, May 17, 2016

Time	Session	Presenter
8:00 am	Registration Open	<i>Continental Breakfast</i>
9:00am-9:30pm	Welcome and Introduction	Kara L. Hall, National Cancer Institute Diane F. Jelinek, Dean of Research, Mayo Clinic
9:30am-11:30am	Featured Panel: <i>Teams and Technology: Augmenting and Externalizing Cognition to Advance Team Science</i>	Panelists/Speakers: Jeremy Lasky, Perception; Jon Miller, Arizona State University; Deana Pennington, University of Texas at El Paso; Rieko Yajima, Stanford University Panel Chair: Steve Fiore, University of Central Florida
11:30am-11:45am	Break	
11:45am-12:30pm	Featured Speaker: <i>Group Creativity: Lessons from Synthesis Centers</i>	Ed Hackett, Brandeis University
12:30pm-2:00pm	Lunch – Table Topic Networking Event	<i>Complimentary Lunch Buffet</i>
2:00pm-3:30pm	Submitted Papers and Panels	<i>Four concurrent tracks (see link above for details)</i>
3:30pm-3:45pm	Break	
3:45pm-5:15pm	Submitted Papers and Panels	<i>Four concurrent tracks (see link above for details)</i>
5:15pm	Adjourn & Transition	Travel to special events
6:00-8:00pm	Special Evening Event <i>(advance registration required)</i>	ASU Decision Theatre, Tempe, AZ

Day 3: Wednesday, May 18, 2016

Time	Session	Presenter
8:00 am	Registration Open	<i>Continental Breakfast</i>
9:00am	Welcome Back	Kara L. Hall, National Cancer Institute Scott J. Leischow, Mayo Clinic
9:00am-9:45am	Featured Speaker: <i>Analogies as the Workhorse of Multidisciplinary Creativity and Problem Solving</i>	Christian Schunn, University of Pittsburgh
9:45am-10:45am	2016 SciTS Recognition Award: <i>Threads, Milestones, and Visions: Intersections of Team Science and Interdisciplinarity</i>	Julie Thompson Klein, Wayne State University
10:45am-11:00am	Break	
11:00am-12:30pm	Submitted Papers and Panels	<i>Four concurrent tracks (see link above for details)</i>
12:30pm-2:00pm	Lunch	<i>Complimentary Lunch Buffet</i>
2:00pm-3:30pm	Submitted Papers and Panels	<i>Four concurrent tracks (see link above for details)</i>
3:30pm-3:45pm	Break	
3:45pm-5:15pm	Submitted Papers and Panels	<i>Four concurrent tracks (see link above for details)</i>
5:15pm	Adjourn	

Day 4: Thursday, May 19, 2016

Time	Session	Presenter
8:00 am	Registration Open	
8:30am	Welcome Back	Kara L. Hall, National Cancer Institute Scott J. Leischow, Mayo Clinic
8:30am-9:15am	Featured Speaker: <i>Partnership Approaches to Solving Big Problems: The Promise of Stewardship Teams and the Transformation of Health</i>	Ruth Wageman, Harvard University
9:15am-10:00am	Featured Speaker: <i>Research Collaboration Effectiveness and the Science of Team Science: A Summary of a 15-year Research Program</i>	Barry Bozeman, Arizona State University
10:00-11:15am	Poster Session	<i>Complimentary Brunch & Networking</i>
11:15am-12:00pm	Closing Session: <i>Future Directions Panel</i>	<i>Future Directions Panel (Speakers TBA)</i>
12:00pm	Adjourn
